### **Consumer Reports Used Car Buying Guide** Dundurn

For the first time ever, a comparative survey of 95 percent of the fiberglass pocketcruising sailboats ever built Author Steve Henkel has researched hundreds of cruising sailboats less than 26 feet long--pocket cruisers--to create this definitive gallery and handbook of the small cruising sailboats built in the last 45 years. With detailed plans, specifications, performance indexes, and commentary for every model the author could find (360 in all!), The Sailor's Book of Small Cruising Sailboats is your ideal core reference for the used and new boats you see on the water.

English summary: Raik Heckl shows that the composition of the book of Job as a poem framed by a prose text was developed by adding the prose frame to an earlier independent poem. In this

earlier poem, Job was depicted as a pious pagan, who held onto his relationship to his deity. In the Yahweh speeches, the God of Israel reveals himself to Job. The earlier poem deals exemplarily with the question of God's attitude towards suffering. The prose frame transfers this image of Job into a theological concept of history. Job, who in the prologue is already presented as a pious worshipper of Yahweh, becomes a representative of Israel's fate. His final restoration prefigures the coming restoration of Israel and thus constitutes a contrast to the Deuteronomic theological concept of history in the books of Samuel and Kings. German description: Raik Heckl weist nach, dass das Gegenüber von Prosa und Dichtung im Hiobbuch dadurch zustande kam, dass eine ältere Hiobdichtung mit eigener Kohärenzstruktur und Intention nachträglich erzählerisch gerahmt wurde. In der älteren Dichtung wurde Hiob als frommer Heide dargestellt, der an seiner Gottesbeziehung im Leiden festhält und dem sich in den Gottesreden Jhwh, der Gott Israels, in einer persönlichen Gottesbegegnung offenbart. Während sich die Dichtung in exemplarischer Weise mit der Frage nach Gottes Stellung zum Leiden beschäftigt, werden Thema und Hauptfigur in der Rahmenerzählung geschichtstheologisch umgedeutet. Hiob, der hier von vornherein als Jhwh-Verehrer erscheint, wird durch eine strukturbildende Verarbeitung von 1 Sam 1-4 zum Repräsentanten des Geschicks des Volkes Israel gemacht. Die Wiederherstellung des unschuldig Leidenden weist auf eine zukünftige Wiederherstellung Israels hin, wodurch das deuteronomistische Geschichtskonzept der Samuelis-/Konigebücher kontrastiert wird.

**Sears**

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through

the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough

apologies: "when you mess up, 'fess up."
