EDWARD AUGUST

Let's Learn Hiragana Kodansha Amer Incorporated

The aim of this book is to provide the student of Japanese with a simple method for correlating the writing and the meaning of Japanese characters in such a way as to make them both easy to remember. It is intended not only for the beginner, but also for the more advanced student looking for some relief from the constant frustration of how to write the kanji and some way to systematize what he or she already knows. The author begins with writing because--contrary to first impressions--it is in fact the simpler of the two. He abandons the traditional method of ordering the kanji according to their frequency of use and organizes them according to their component parts or "primitive elements." Assigning each of these parts a distinct meaning with

its own distinct image, the student is led to harness the powers of "imaginative memory" to learn the various combinations that result. In addition, each kanji is given its own key word to represent the meaning, or one of the principal meanings, of that character. These key words provide the setting for a particular kanji's "story," whose protagonists are the primitive elements. In this way, students are able to complete in a few short months a task that would otherwise take years. Armed with the same skills as Chinese or Korean students, who know the meaning and writing of the kanji but not their pronunciation in Japanese, they are now in a much better position to learn to read (which is treated in a separate volume). For further information and a sample of the contents, visit http://www.nanzan-u.ac.jp/SHUBUNKEN/publications/miscPublications/Remembering_the_Kanji_1.htm.

Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

Remembering the Kanji Tuttle Publishing

Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels. Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole. Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc. This Japanese grammar book contains: parts of speech. sentence constructions. conjugations forms. speech styles and tones. accentuation rules. essential words and functional elements. an appendix for referencing and cross-

referencing Japanese words.

Kanji From Zero! 1 Tuttle Publishing

This material is designed to enable students to learn kanji and kanji-based vocabulary indispensable to Japanese communication. Consists of reference book, workbook one, workbook two. Suitable for self study.

Essential Kanji Tuttle Publishing

Essential Kanji is an integrated course for learning to read and write the 2,000 basic Japanese characters. It introduces the kanji that are now in everyday use, a mastery of which makes it possible to read most modern Japanese. Devised for either home or classroom use, the book has been tested and refined by years of use in university classes taught by the author.

Japanese, the Spoken Language Yesjapan Corporation

This is a user-friendly guide to learning Japanese Katakana and includes a set of 46 flash cards Japanese Katakana for Beginners makes learning of beginner kana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students learn katakana successfully in the United States and Japan. Picture mnemonics enhance memory by

associating the shape and sound of each Japanese kana character with combinations of images and English words already familiar to students. This book is organized into three main sections: The first introduces the basic 46 katakana characters along with writing tips and opportunities to practice writing them. The second teaches the usage rules that allow students to write all Japanese sounds, providing more opportunities for practice. The third strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed recognition quizzes, etc) designed to both increase the knowledge of the Japanese language and reinforce newly acquired writing skills. A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a katakana character along with the picture mnemonic that helps to recognize and remember it.

A Guide to Japanese Grammar Tuttle Publishing

Elementary Japanese Teacher's Guide provides teachers and self-study students with helpful information for using Elementary Japanese Volume One and Volume Two.

Elementary Japanese Teacher's Guide Tuttle Publishing

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of

Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

Japanese From Zero! 5 Tuttle Publishing

This three-volume textbook stresses Japanese as it is spoken today in Japan. Jordan has introduced the language in a totally systematic fashion and in manageable segments, so that students who have mastered the material in the book can handle the spoken language with considerable facility. Supplementary material provides outlines for the utilization of what has been introduced, check-ups on structure, and comprehension checks

based on accompanying audiotapes.

Vertical Inc

Kanji From Zero! isn't just another kanji reference book, instead, it's designed to give genuine insight into kanji, the associated Japanese culture, and related Japanese words that other books often ignore.

Elementary Japanese Volume Two Watkins Media Limited

In order to familiarize learners with the question types of HSK, the workbooks at all levels provide the exact same types of exercises, arranged in the same order and structure also, with the content focused on the specific lesson. In this way, learners will get familiar with HSK by using the course books alone rather than spending extra time in trying to get used to the form of the test.

Japan Times

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."-- Introduction.

Learn from Zero

In 2005, the celebrated scholar of Japanese literature Haruo Shirane published *Classical Japanese: A Grammar*. Now, with *Classical Japanese Reader and Essential Dictionary*, he completes his two-volume textbook for learning classical, or literary, Japanese?the primary written language in Japan from the seventh to the mid-twentieth century. The text contains carefully selected readings that address a wide array of grammatical concerns and

that steadily progress from easy to difficult. The selections encompass a wide range of historical periods and styles, including essays, fiction, and poetry from such noted works as *The Tale of Genji*, *The Tales of Ise*, *The Pillow Book*, *The Tales of the Heike*, and *Essays in Idleness*, and such authors as Ihara Saikaku, Matsuo Basho, Ueda Akinari, Motoori Norinaga, and Fukuzawa Yukichi. Each reading is accompanied by a short English introduction, a vocabulary list, and extensive grammatical notes, and ends with a comprehensive grammatical annotation. The classical Japanese-English dictionary composes the last third of the book and features approximately 2,500 key words, highlighting those used most frequently. The first of its kind, this volume is a vital tool for students, scholars, and translators of classical Japanese.

Columbia University Press

With 30,000 exercises graded kanji-by-kanji, parallel English text, pronunciation guides, and extensive grammar support, the Kanji Learner's Course Graded Reading Sets series is the most powerful Japanese reading comprehension tool available today. While its sequence follows that of Kodansha's widely acclaimed Kanji Learner's Course, the series is an irreplaceable resource even for those who have studied kanji by other methods. This Volume 1, covering the first 100 kanji in the course, consists of 990 exercises containing 3,600 kanji. The exercises for each entry contain only kanji previously introduced, and are designed to give you contextualized practice with reading kanji, kanji-based vocabulary, and a wide range of grammatical patterns. The Graded Reading Sets allow you to immediately apply each kanji you learn, and continuously review what you have already

studied. Each exercise appears in three parallel forms: Japanese text, Japanese text with phonetic guides, and English equivalent. Phonetic guides indicate word division as an additional learning aid. To further accelerate your learning, this book introduces hundreds of key grammatical structures as they appear, with cross-references that allow you to quickly find in-depth information about any structure that may be unfamiliar to you. This contextualized grammar support allows you to master a wide range of sentence patterns through the natural process of reading and understanding. Each volume in the series is supported by several files accessible through the user-support website, including a comprehensive index of 640+ grammar glosses, and a cross-reference database allowing you to quickly locate the KLC entry of any of the 0.25 million kanji appearing in the series. Kindle's easy-to-activate bilingual dictionary allows you to look up any unfamiliar words with a couple of taps. Begin experiencing the pleasure of reading and understanding authentic Japanese, including an ever-expanding range of kanji, kanji-based words, and grammar patterns. By reading a large volume of material that you can understand, you will absorb grammar, vocabulary words, and subtleties of usage in the most natural and enjoyable way.

Classical Japanese Reader and Essential Dictionary Simon and Schuster

For English-speaking students of Japanese, particles are perhaps the most difficult aspect of the language to learn. It would be no exaggeration to say that, for most people, they can never be completely mastered. Thus, the study of particles is a lifetime undertaking, and students need a lifelong companion to help

them along the way. That companion is *A Dictionary of Japanese Particles*. Covering over 100 particles in alphabetical order, the dictionary explains the meanings of each (most have more than one) and gives sample sentences for each meaning. Illustrations are provided where necessary for clarification. There are also exercises at the back of the book for those who wish to test their knowledge of particle usage. Appendices and end paper charts are provided for easy access. *A Dictionary of Japanese Particles* is an essential reference work, meant to be used over the years as students continue to confront puzzling particles.

There are three types of Japanese script--katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana--one must know all of them. *Let's Learn Hiragana*, and its companion volume *Let's Learn Katakana*, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master hiragana by the time the book has been finished. *Let's Learn Hiragana* is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.

**80/20 Japanese (Romaji Edition)** Japanese from Zero! 1

From the mind of Japanese artist Naoshi comes the sweet and charming world of *Ice Cream Work*. This utterly delicious book tells the story of a humble ice cream cone man whose search for work takes him many places and puts him in challenging situations as he tries to earn a living over the course of a week. *Ice Cream Work* features surreal characters living in real world

situations bursting with color and detail. This book reminds us that everyone has unique traits which make them special and emphasizes the importance of creativity and imagination in daily life. Internationally acclaimed artist Naoshi has created a brilliant and fantastical world of her own full of quirky characters and situations that draw the reader into pages bursting with color. Using shiny colorful sand, known as Sunae in Japan, Naoshi's distinctive style is instantly memorable and utterly original. In

this, her first book for American audiences, Naoshi introduces Sunae through the story, but also in a crafty "How to Make Sunae" section where she provides a step by step process of making "sand paintings" like the ones seen in the book. There is also an interactive "Look and Find" page which challenges readers to spot details they might not have noticed before. Ice Cream Work will delight readers young and old while introducing an exciting new talent to American audiences.
