*Match to the Heart* University of Chicago Press

With over forty original essays, *The Oxford Handbook of Modern Chinese Literatures* offers an in-depth engagement with the current analytical methodologies and critical practices that are shaping the field in the twenty-first century. Divided into three sections--Structure, Taxonomy, and Methodology--the volume carefully moves across approaches, genres, and forms to address a rich range topics that include popular culture in Late Qing China, Zhang Guangyu's *Journey to the West* in Cartoons, writings of Southeast Asian migrants in Taiwan, the Chinese Anglophone Novel, and depictions of HIV/AIDS in Chu T'ien-wen's *Notes of a Desolate Man*.

**Make Room for God the Spirituality of Awakening** W. W. Norton & Company

I LOST MY HEART IN HOLLYWOOD chronicles the strangest case yet in the so-called career of Vic Valentine, Private Eye, as an unlikely tryst with the B movie scream queen of his dreams, Velma Vale, leads him down a dark, twisted path of paranoia, voyeurism, degradation and death. The bizarre action heats up even as his burning loneliness and simmering sexual obsessions flare at the forefront of his tormented consciousness, with caution and common sense cooling idly on the back burner. Plus! DIARY OF A DICK tells further tantalizing tales of Vic chasing tail while allegedly on the trail of True Love, all the way to New Orleans and back again, as the femme fatales of his past and present suddenly converge with prurient promises of

promiscuity. As always, strings are attached to these erotic escapades, but the ties that bind begin rapidly unraveling, and Vic is left hanging by a thread like a doomed puppet. The mysteries of love have never been more elusive.

*The Third Testament-Spirit of Truth* Bethany House

Did I not promise, that all knowledge would be restored to its original truth? Christ's prophecy has been fulfilled. The following words have become absolute reality: "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth is come, he will guide you into all truth." (John 16, 12-13). This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding. Since ancient times I have entrusted to you my teachings, through my envoys, my emissaries, my interpreters, and you have used it to create myths and traditions. But you will not fulfill your purpose unless you meditate and study this lesson with respect and love. Truly I say to you that he who meditates and analyzes the teachings of my Book, with a true desire to elevate his knowledge, will acquire the light for his spirit and he will feel Me nearer to him.

**The Heart of the Alleghanies; or, Western North Carolina** Univ of South Carolina Press

Underneath the waves of daily thought is our ocean of being. As the world pulls on our attention, occupying our awareness, there is the ocean of our awareness without busy thought to explore and receive. There is the great silence within our heart. This is the contemplative path. The pilgrimage into the heart is found in all religions, enjoyed by mystics in all cultures. We let go. We let be. Our attention comes deeper within. Underneath the

thinking world we discover another world, the world of quiet, connectedness, oneness, infinite heart. As the waves of so much thinking become less, our knowing of the ocean of our awareness grows. Our heart, our beingness is present, brilliant, and loving. We realize we are on the journey of awakening. We are coming home.

*Listening to the Heart* Xulon Press

Heart of a Stranger, originally published in 1976, is a travelogue chronicling Laurence's geographical journeys to many lands and places. She notes "I saw, somewhat to my surprise, that they are all, in one way or another, travel articles. And by travel, I mean both those voyages which are outer and those voyages which are inner."

*I Lost My Heart in Hollywood/Diary of a Dick* Xlibris Corporation

Presents a synthetic view of the social grounding of republicanism and liberalism in Worcester Country, Massachusetts, from its settlement to the eve of the Civil War.

**The Saturday Review of Politics, Literature, Science and Art** North Atlantic Books

Buddhist Thought guides the reader towards a richer understanding of the central concepts of classical Indian Buddhist thought, from the time of Buddha, to the latest scholarly perspectives and controversies. Abstract and complex ideas are made understandable by the authors' lucid style. Of particular interest is the up-to-date survey of Buddhist Tantra in India, a branch of Buddhism where strictly controlled sexual activity can play a part in the religious path. Williams' discussion of this controversial practice as well as of many other subjects makes Buddhist Thought crucial reading for all interested in Buddhism.

*Opening the Heart of the Cosmos* Lulu.com

Heart's Awakening by Jean Decoto released on Jun 24, 1982 is available now for purchase.

*The Dark Flower* Routledge

For many, South Carolina is a sunny vacation destination. For those who have been lucky enough to call it home, it is a source of rich memories and cultural heritage. In this final volume of State of the Heart, thirty-eight nationally and regionally known writers share their personal stories about places in South Carolina that hold special meaning for them. While this is a book about place, it is ultimately about people's connections to one another, to a complex, common past, and to ongoing efforts to build a future of promise and possibility in the Palmetto state. Editor Aida Rogers groups the essays thematically, with poetry, vintage photographs, and even recipes introducing each section. She unites pieces by New York Times best-selling novelists Patti Callahan Henry, CJ Lyons, and John Jakes; USA Today best-selling mystery writer Susan Boyer; historians Walter Edgar, Orville Vernon Burton, and Bernard Powers; artist and author Mary Whyte; and cookbook authors Sallie Ann Robinson and the Lee Brothers—just to name a few. Nikky Finney, a South Carolina native and winner of the 2011 National Book Award for poetry, provides the foreword. The afterword is written by Cassandra King, author of six novels, including the New York Times best seller *The Sunday Wife*.

*Love's First Bloom (Hearts Along the River Book #2)* Mossy Feet Books

Come Home to Friendship, Family, and Faith in the Town of Trinity In a time when the traditional ways of medicine are constantly being questioned by new doctors fresh from medical school, midwife Martha Cade tries to balance her life's calling with the demands of her family. Recently reunited with her estranged seventeen-year-old daughter, Martha finds herself torn between guiding her child and allowing her to be an adult. At the same time, she must decide whether she'll risk reopening the heart she'd long closed off to love. Though a small town, Trinity, Pennsylvania, is fraught with secrets, and as a midwife, Martha moves among its people. She knows which homes are filled with light and love, which families have slipped into grief, which wives are unhappy, and which husbands dare to cross lines...As Martha struggles with the conflicts of being a mother, a midwife, and a woman, she learns the greatest lessons of all—that hope can shine even in the darkest hours, and that faith has a way of making the impossible possible.

*Unveiling the Heart of Awareness* Baker Books

In *Awakening in the Paradox of Darkness*, Gary Tzu illuminates a path from within the dark realms to awakening into non-dual being. By allowing dreaded experiences such as fear, trauma, exhaustion, abandonment, nothingness, death and non-existence—to serve as a portal into non-dual transformation, we discover the light within the darkness, revealing the bedazzling paradoxical mystery of existence. In this book, Gary invites readers on a healing journey into the heart of their darkest experiences, for it is there, in the midst of their most profound dread, that non-dual awakening lies.

*The Poetics of Yves Bonnefoy* iUniverse

Zen Master Thich Nhat Hanh uses the Lotus Sutra, one of Mahayana Buddhism's most revered texts, to illustrate the Buddha nature inherent in everyone. With great passion and clarity, he demonstrates how each human being has the capacity to transform their own individual suffering, develop compassion, and help create more peace in the world. Nhat Hanh's insights invoke a wide range of contemporary topics and concerns, from war and the threat of terrorism to individual anxiety and the degradation of our environment. He proposes a radical new solution to current conflicts, encouraging each of us to work on our own mindfulness practice to create greater peace and harmony. His accessible analysis of the sacred text demonstrates its practical and direct applicability to today's concerns.

*Portugal Illustrated* Bethany House

SPRING I He walked along Holywell that afternoon of early June with his short gown drooping down his arms, and no cap on his thick dark hair. A youth of middle height, and built as if he had come of two very different strains, one sturdy, the other wiry and light. His face, too, was a curious blend, for, though it was strongly formed, its expression was rather soft and moody. His eyes—dark grey, with a good deal of light in them, and very black lashes—had a way of looking beyond what they saw, so that he did not seem always to be quite present; but his smile was exceedingly swift, uncovering teeth as white as a negro's, and giving his face a peculiar eagerness. People stared at him a little as he passed—since in eighteen hundred and eighty he was before his time in not wearing a cap. Women especially were interested; they perceived that he took no notice of them, seeming rather to be looking into distance, and making combinations in his soul. Did he know of what he was thinking—did he ever know quite

definitely at that time of his life, when things, especially those beyond the immediate horizon, were so curious and interesting?—the things he was going to see and do when he had got through Oxford, where everybody was 'awfully decent' to him and 'all right' of course, but not so very interesting.

**The Church of England magazine [afterw.] The Church of England and Lambeth magazine** Parallax Press

This is a reissue of a much-admired variorum edition of Yeats's stories. 'This edition, which includes previously unpublished texts, gives a text history, which establishes once and for all the extent to which Yeats's work was modified by editors. Truly definitive. Indispensable for any major collection, including public libraries.' Library Journal

*The Midwife's Choice (At Home in Trinity Book #2)* DigiCat

This deluxe hardcover editions contains both Volume I and II of *The Heart of Listening*. Milne, a third generation Scottish osteopath, begins by explaining the visionary approach to healing, and how it may be applied to the realm of craniosacral work. He explains the importance of meditation, centering, and the cultivation of heartfulness in the development of compassionate practice. Milne introduces the reader to the story of visionary work—its genesis, evolution, philosophy, and practice—and explains how a grounding in meditation, sensitive touch, and intuitive perception can lead to a remarkable unfoldment in skill development. In the second volume, Milne details the anatomy, physiology, energetics, and techniques that are the essential core of visionary craniosacral work. His particular genius lies in his ability to weave a delicate tapestry of narrative, poetry, and scientific fact into a fascinating and insightful exposition of the visionary healing arts.

*The Biology of Lungfishes* Oxford University Press

This book presents the topography, history, resources, people, narratives and incidents of Western North Carolina with the pictures of travel, adventures in hunting and fishing and legends of its wildernesses.

**Hearts Awakening (Hearts Along the River Book #1)** SUNY Press

Yves Bonnefoy is the most important and influential French poet to have emerged since the Second World War. Poet, art critic, historian, translator (particularly of Shakespeare), specialist in the problem of the relation of poetry to the visual arts and to the history of religions, Bonnefoy is now considered one of the most distinguished men of letters of his generation. Though Bonnefoy's work is familiar to American scholars, the complexity of his thought and style has created a need for a critical introduction to his work. This first major study of Bonnefoy written in English provides an overview of his entire literary career. Naughton situates Bonnefoy in the context of the existential philosophical tradition that nurtured him and in the poetic and artistic tradition that includes Dante and Shakespeare, Piero and Poussin, Baudelaire and Rimbaud. Bonnefoy's poems appear in both French and English, and all quotations from his prose have been translated. This book will appeal not only to the growing number of students and scholars of French literature interested in Bonnefoy's work, but also to those who study comparative poetry and the relation of poetry to art and to contemporary religious thought.

**The Oxford Handbook of Modern Chinese Literatures** North Atlantic Books

"This book serves as a basic primer on how one of the world's most mineral-rich countries was turned into one of its greatest tragedies." - Publishers Weekly Written over a century ago, Joseph Conrad's *Heart of Darkness* continues to dominate our vision of the Congo, unlikely as it might seem that a late-Victorian novella could encapsulate a country roughly equal in size to the United States east of the Mississippi. Conrad's Congo is hell itself, a place where civilization won't take, where literal and metaphor darkneses converge, and where human conduct, unmoored from social (Western, in other words) norms, turns barbaric. As Robert Edgerton shows in this crisply narrated yet sweeping work of history, the Congo is still trying to awaken from the nightmare of its past, struggling to pull free from the grip of the "heart of darkness" cliché. Plundered for centuries for its natural resources (which remain Africa's most abundant), the Congo was not always a place of horror. Before the Portuguese landed on its shores at the end of the 15th century, it was a prosperous and thriving region. The Congo River, the world's second longest as well as the deepest, and one of the only routes to the continent's interior, provided indigenous populations with ample means for living and trading. What the Portuguese found first to exploit were people, and with the slave trade began a dizzying downward spiral of conquest and degradation that continued for centuries. By the 19th century the race to explore the full length of the legendary river masked a fight for territorial and moral control among the French, Arabs, British, Germans, as well as American missionaries, all of whom dreamed of possessing Africa's very heart. When King Leopold of Belgium managed to solidify control in 1885, the Congo "question" seemed solved. His reign, of course, was almost pathological in its cruelty—the true source of Conrad's "horror"—and its grim legacy endures to this day. Edgerton documents the Congo's long, sad history with a sense of empathy with and admiration for the character of the land and its inhabitants. Since independence in June 1960, the country has endured the machinations and disappointments of one dictator after another, beginning with Patrice Lumumba, and continuing through Joseph Mobutu, Laurent Kabila, and today Kabila's son, Joseph, who assumed power after his father was assassinated in January 2001. Whether called the "Congo Free State," or "Zaire," or the Democratic Republic of the Congo, the country remains perilously unstable. *The Troubled Heart of Africa* is the only book to give a complete history of the Congo, filling in the blanks in the country's history before the advent of Henry Stanley, David Livingstone, King Leopold, and other figures, and carrying us straight into today's headlines. The Congo continues today to be the subject of intense speculation and concern, and with good reason: upon it hangs the fate of sub-Saharan Africa as a whole. Here is a book that helps us face the stark truths of the Congo's past and appreciate both the enormous potential and uncertainty of its future. **Bible Society Record** St. Martin's Press

Delia Parr's *Delightful Midwife Series* Concludes Midwife Martha Cade has decided. When he returns in February, she is going to marry Mayor Thomas Dillon. That is the only decision in life in which she feels confident these days. Everything else around her feels like it's changing too fast, from her daughter's obvious affection for the town's young doctor to Martha realizing she's ready to pass on her role as midwife to someone younger. Even her beloved town of Trinity is changing. The 1830s Pennsylvania town, having mushroomed in size and population, is becoming an important agricultural and economic center for the region, and soon a canal will connect it even more to the outside world. It is a season that will set the course for the rest of her life. Martha will need every ounce of confidence, courage, and faith she possesses to overcome the obstacles that will make her life far more challenging and difficult than she can dare to imagine.

[A Great Mystery Solved by Gillan Vase - Delphi Classics \(Illustrated\)](#) FriesenPress

With no means to support herself, Ellie Kilmer agrees to work as a housekeeper for the young widower who lives on Dillon Island, hopeful she can obtain a proper reference. But Jackson Smith quickly realizes that Ellie's presence may solve his own problems--both the rearing of his young boys

and the scandal that surrounds his first marriage. When a marriage of convenience is offered, Ellie is initially humiliated. Though she is past the age most women marry, she has more pride than to agree to his outlandish suggestion. Yet what options does she have? To marry would mean a home and stability. So despite the rumors circling Jackson and his first wife, Ellie accepts this unlikely proposal...
