Translation Macmillan

The terrifyingly surreal universe of horror master H. P. Lovecraft bleeds into the logical world of Sherlock Holmes, Sir Arthur Conan Doyle's champion of rational deduction, in these stories

by twenty top horror, mystery, fantasy, and science fiction writers. Arthur Conan Doyle's Sherlock Holmes is among the most famous literary figures of all time. For more than a hundred years, his adventures have stood as imperishable monuments to the ability of human

reason to penetrate every mystery, solve every puzzle, and punish every crime. For nearly as long, the macabre tales of H. P. Lovecraft have haunted readers with their nightmarish glimpses into realms of cosmic chaos and undying evil. But what would happen if Conan Doyle's peerless

detective and his allies were to find themselves faced with mysteries whose solutions lay not only beyond the grasp of logic, but of sanity itself? In this collection of all-new, all-original tales, twenty of today's most cutting-edge writers provide their answers to that burning question. "A Study in Emerald" by Neil Gaiman: A gruesome murder exposes a plot against the Crown, a seditious conspiracy so cunningly wrought that only one man in all London could have

planned it—and only one man can hope to stop it. "A Case of Royal Blood" by Steven-Elliot Altman: Sherlock Holmes and H. G. Wells join forces to protect a princess stalked by a ghost—or perhaps something far worse than a ghost. "Art in the Blood" by Brian Stableford: One man's horrific affliction leads Sherlock Holmes to an ancient curse that threatens to awaken the crawling chaos slumbering in the blood of all humankind. "The Curious Case of Miss Violet Stone" by Poppy Z.

Brite and David Ferguson: A girl who has not eaten in more than three years teaches Holmes and Watson that sometimes the impossible cannot be eliminated. "The Horror of the Many Faces" by Tim Lebbon: Dr. Watson witnesses a maniacal murder in London—and recognizes the villain as none other than his friend, Mr. Sherlock Holmes. With thirteen other dark tales of madness, horror, and deduction, a new and terrible game is afoot: "Tiger! Tiger!" by

Elizabeth Bear “The Case of the Wavy Black Dagger” by Steve Perry  
 “The Weeping Masks” by James Lowder “The Adventure of the Antiquarian’s Niece” by Barbara Hambly “The Mystery of the Worm” by John Pelan “The Mystery of the Hanged Man’s Puzzle” by Paul Finch  
 “The Adventure of the Arab’s Manuscript” by Michael Reaves “The Drowned Geologist” by Caitlín R. Kiernan “A Case of Insomnia” by John P. Vourlis “The Adventure of the Voorish Sign” by

Richard A. Lupoff “The Adventure of Exham Priory” by F. Gwynplaine MacIntyre “Death Did Not Become Him” by David Niall Wilson and Patricia Lee Macomber  
 “Nightmare in Wax” by Simon Clark

 Murder pays a visit to Gemma Doyle’s Sherlock Holmes-themed bookshop in this clever first installment in a captivating cozy mystery series from the bestselling author of the Year-Round

Christmas Mysteries  
 Gemma Doyle, a transplanted Englishwoman, has returned to the quaint town of West London on Cape Cod to manage her Great Uncle Arthur's Sherlock Holmes Bookshop and Emporium. The shop—located at 222 Baker Street—specializes in the Holmes canon and pastiche, and is also home to Moriarty the cat. When Gemma finds a rare and potentially valuable magazine containing the first Sherlock Homes story hidden in the bookshop,

she and her friend Jayne (who runs the adjoining Mrs. Hudson's Tea Room) set off to find the owner, only to stumble upon a dead body. Gemma is the police's first suspect, so she puts her consummate powers of deduction to work to clear her name, investigating a handsome rare books expert, the dead woman's suspiciously unmoved son, and a whole family of greedy characters desperate to cash in on their inheritance. But when Gemma and Jayne accidentally place

themselves at a second murder scene, it's a race to uncover the truth before the detectives lock them up for good. "A delight—fast, fun, and full of Sherlockian lore.

Cheers for a charming, intelligent heroine as observant as The Great Detective himself."

—Carolyn Hart, New York Times–bestselling author of *Walking on My Grave*

A series of break-ins occur

in London. All of them have one thing in common – a bust of Napoleon is smashed. Inspector Lestrade comes to a dead end, so he reaches out to Holmes. The next break-in takes place. This time with a murder as well. In the victim's pocket they find a picture of an unknown man. Holmes and Watson's starting point is then the factory where the busts were produced. The two detectives manage to find out where the last three busts are. Will they get in time to

prevent the next crime? "The Adventure of the Six Napoleons" is a part of "The Return of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known

for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

**The Brothers of Baker Street** Vintage

After an exhibition of vintage Sherlock Holmes letters opens at the Marylebone Hotel, lawyers Reggie and Nigel Heath, who are charged with answering letters to Holmes that arrive at their office, are faced with a whole new set of problems as an enemy from their past returns. 30,000 first printing. Sherlock Holmes Del Rey For the first time in its one-hundred-and-twenty-five-year history, the Arthur Conan Doyle Estate has authorized a new Sherlock Holmes novel.

Once again, The Game's Afoot... London, 1890. 221B Baker St. A fine art dealer named Edmund Carstairs visits Sherlock Holmes and Dr John Watson to beg for their help. He is being menaced by a strange man in a flat cap - a wanted criminal who seems to have followed him all the way from America. In the days that follow, his home is robbed, his family is threatened. And then the first murder takes place. Almost unwillingly, Holmes and Watson find themselves being drawn

ever deeper into an international conspiracy connected to the teeming criminal underworld of Boston, the gaslit streets of London, opium dens and much, much more. And as they dig, they begin to hear the whispered phrase-the House of Silk-a mysterious entity that connects the highest levels of government to the deepest depths of criminality. Holmes begins to fear that he has uncovered a conspiracy that threatens to tear apart the very fabric of

society. The Arthur Conan Doyle Estate chose the celebrated, #1 New York Times bestselling author Anthony Horowitz to write *The House of Silk* because of his proven ability to tell a transfixing story and for his passion for all things Holmes. Destined to become an instant classic, *The House of Silk* brings Sherlock Holmes back with all the nuance, pacing, and almost superhuman powers of analysis and deduction that made him the world's greatest detective, in a case depicting events too

shocking, too monstrous to ever appear in print...until now.
